

LEAD PASTOR
JEFF MUELLER

After over a decade of serving in various capacities, Pastor Jeff's passion for ministry has never stronger. He and his wife enjoy all types of ministry, starting with their number one ministry responsibility: their home with their children.

Pastor Jeff has a deep love for studying and sharing God's Word from the pulpit. However, when he is not studying or preaching, he has an immense passion for church planting, and discipleship ministry, evangelism, and pastoral counseling. Few things bring him as much joy as watching God transform the lives of people in small-group discipleship and one-on-one counseling.

Pastor Jeff, his wife Brittany, or anyone at Restore would be more than happy for the opportunity to spend time helping you grow a deeper relationship with God and study His Word.

MINISTRY APPRENTICE
JACOB OLSON

Jacob now equips the youth of Restore and Yankton to live out the Gospel centered and truly worshipful life that Christ has called us all to. He hopes to help young adults avoid the mistakes and hardships that he once endured and ensure that they are deeply rooted in Christ.

During the last semester of College, Jacob developed a passion for young adult and youth ministries, as he had experienced how the cultural and social expectations were damaging the young generation. After Graduating, Jacob began serving at Restore Church on Tech Team, and after being offered an apprenticeship, he began leading a Gospel Community and preparing to launch Restore Youth.

YANKTON
1603 Locust Street
Yankton, SD 57078
